INSTRUCTIONS FOR PAPER RENEWAL APPLICATION

Completed applications may be submitted with applicable fees to:

Iowa Plumbing and Mechanical Systems Board
Iowa Dept. of Health and Human Services
321 E 12th Street
Des Moines, Iowa 50319

Visit our website at

<https://hhs.iowa.gov/PMSB> for additional information on licensure and continuing education requirements.

For questions, call toll free (866) 280-1521.

An application is not considered complete and will not be processed until all items have been submitted as required, including renewal license fees and late fees if applicable.

- Online applications must be submitted with credit or debit card information.
- Paper application renewal fees must be submitted with check or money order payable to: Iowa Plumbing and Mechanical Systems Board. If submitting a paper application, a \$25.00 paper application fee must be included in addition to the license fee and any applicable late fees.

Part 1 – Applicant Information. Please write legibly and complete each section. Items with an * must be completed. Be sure to mark the box for the address you would like the board to use for all correspondence.

Part 2 – License Information. Provide your license # and then mark the box(es) for each license that you wish to renew. If you would like to place any a license on inactive status, mark the appropriate box. Note that inactive status requires continuing education and you cannot work on an inactive license.

Part 3 – Screening Questions. All questions must be answered for the application to be processed. If you answer “Yes” to any of the questions, your application may be referred to the board for additional review. You must answer “Yes” even when a conviction or judgment has been deferred or expunged from your record. Please provide any pertinent details with your application.

Part 4 – CEU Exemptions. If you qualify for a CEU exemption, please mark the appropriate box.

Part 5 – Continuing Education Courses. To complete the continuing education section, you will need to identify the course name, date of course, course number, and hours of credit for each course. This information can be found on the certificate of completion provided by the course instructor. The Iowa Plumbing and Mechanical Systems Board office does not have this information available for licensees. The board may conduct an audit of a licensee’s license renewal application to review compliance with continuing education requirements per Iowa Administrative Code r. 641—30.5(105). It is important you maintain records of your CEU courses in the event you are later selected for an audit.

Continuing education requirements for a specialty license/ journeyperson/or master license are as follows:

Single License - Plumbing, HVAC/R, Hydronics, Sheet Metal, or Mechanical	8 Total Hours of CEU 2 Hours Safety 2 Hours Code (Applicable Plumbing or Mechanical) 4 Hours Discipline (Must be in current license discipline only.)
Multiple Mechanical Discipline Licenses – Combination of 2 or 3 mechanical licenses (HVAC/R, Hydronics, or Sheet Metal)	14 Total Hours of CEU 4 Hours of Safety 2 Hours of Mechanical Code 8 Hours of Discipline Note: The 8 hours of discipline CEU's may be obtained from one or any combination of discipline licenses held by the licensee.
Multiple Licenses Renewed Same Time – Combination of 1 plumbing & 1 or more mechanical licenses (HVAC/R, Hydronics, Sheet Metal, or Mechanical)	16 Total Hours of CEU 4 Hours of Safety 2 Hours of Mechanical Code 2 Hours of Plumbing Code 8 Hours of Discipline Note: The 8 hours of discipline CEU's may be obtained from one or any combination of discipline licenses held by the licensee.

***Note, if applying for renewal of a license that is 366 or more days past the original expiration date, CEU's must be taken on a date that is more than 365 days from the expiration date. These CEU's will not be eligible to renew any future license other than the current renewal license.**

Apprentice Renewal. To complete an apprentice renewal, update any changes to the US Department of Labor sponsorship information. There are no CEU requirements for an apprentice license. However, if more than 60 months have elapsed since the start date of your apprenticeship, your status will be confirmed with the US Department of Labor prior to issuance of the renewal license.

Medical Gas Piping Installer Certification Renewal. To renew a Medical Gas Piping Certification, fill out the details in Part 6. Provide your certification number, expiration date, and brazing number and expiration date. No continuing education hours are required for medical gas piping certification as you must maintain current certification to renew.

Journeyman/Master Renewal by Examination Option –

If a license has lapsed by more than 365 from the original expiration date, a licensee may renew by retaking continuing education hours or by sitting for the discipline examination. This section of the application should be used for those wishing to renew after completing an examination.

Part 7 - Applicant's Signature. Read the statement, sign and date the application. An applicant is responsible for the accuracy of the data, regardless of who completes and submits the applicant's licensure application.
